

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION TO TRANSFER SEWER UTILITY)	
SERVING FOREST HEIGHTS SUBDIVISION)	
FROM SOUTH SHORE WATER WORKS COMPANY)	CASE NO. 9306
TO THE CITY OF SOUTH SHORE, GREENUP)	
COUNTY, KENTUCKY)	

O R D E R

On March 26, 1985, South Shore Water Works Company ("South Shore Water") and the City of South Shore, Greenup County, Kentucky, ("City") filed a joint application requesting authorization of the transfer by South Shore Water to City of the sewage treatment facilities serving the Forest Heights Subdivision.

Based on the evidence of record and being advised, the Commission is of the opinion and hereby finds that:

1. South Shore Water desires to sell and transfer the sewage treatment facilities serving the Forest Heights Subdivision and City desires to purchase and acquire said facilities.

2. On April 16, 1985, South Shore Water and City entered into a Contract of Sale setting forth each party's rights and obligations respecting the transfer of sewer facilities.

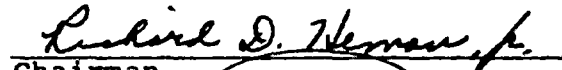

3. City possesses the requisite expertise to own and operate the Forest Heights sewer facilities in an adequate, efficient and reasonable manner.

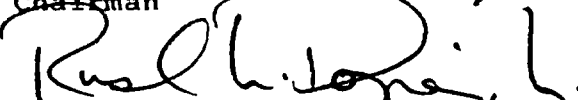

IT IS THEREFORE ORDERED that the sale and transfer of the Forest Heights sewer facilities by South Shore Water to City shall be and it hereby is approved.

IT IS FURTHER ORDERED that within 7 days subsequent to the date of sale and transfer South Shore Water and City shall file a joint notice with the Commission setting forth the date of sale and transfer.

Done at Frankfort, Kentucky, this 30th day of May, 1985.
